@TOKENSHIBAWING

INTRODUCTION

Meet **\$WING**, a token backed by the Shiba Wing Ecosystem, the proud owners of the **Shiba Inu logo** and the **Shiba Wings franchise**.

More than a meme coin, \$WING is the cornerstone of our loyalty and rewards programs and the gateway to a universe of exclusive rights, ownership, and franchising opportunities.

\$WING sets a new standard.

Ticker: \$WING

Supply: 888,888,888

TOKENOMICS

Meet **\$WING**, a token backed by the Shiba Wing Ecosystem, the proud owners of the Shiba Inu logo.

\$WING addresses key cryptocurrency challenges, such as enhancing user engagement, ensuring transaction security, and broadening the token's utility beyond conventional markets. It will set new standards for integrating cryptocurrencies with everyday life and consumer interactions.

TAX INFORMATION

2% of each buy/sell/transfer is collected as taxes:

50% Development/Marketing, 25% Token Repurchases, 15% Free NFT holders for life, 10% Locked Tokens

\$WING offers a low tax environment that always contributes to the token's value. This helps create a sustainable ecosystem and further develops and expands the franchise model globally.

OUR PARTNERS

Collaborations with key players like crypto.com, MrBeast Burger, and PIN Pay It Now enhance brand power and market reach.

EXCLUSIVE BENEFITS

Token Holders

- 5% of every transaction from the restaurant/food truck/ghost kitchens will automatically be allocated to the token fund, streamlining the contribution process back into \$WING Token
- Every transaction from the restaurant/food truck and on Mastercard receives a 1% \$WING Token Repurchase/cashback
- Every time you spend using \$WING, receive 1% cash back or in crypto
- Lifetime 15% discount at Shiba Wings Restaurants and Selected Mr Beast Burger locations worldwide (T&Cs Apply)
- Locked tokens on our liquidity pool and earn rewards
- Access to restaurant and food truck franchise/ownership and Ecosystem and Rewards
- Free access to ghost kitchen model
- Loyalty incentives and events
- Airdrop of \$WING tokens

NFT Holders

Alongside the launch of \$WING, Shiba Wing will release 1000 Free NFTs to the community to revolutionize digital engagement and asset management through unique utilities, partnerships, and community-driven initiatives.

These initial NFTs will receive 0.3% of the tax on sales, fostering initial engagement and contribution in the \$WING ecosystem.

- Lifetime 50% discount at Shiba Wings Restaurants and Selected Mr Beast Burger locations worldwide (T&Cs Apply)
- Discounts across a variety of businesses worldwide
- First access to future features (NFT drops, Defi, Franchise Opportunities, Real Estate, Business Ventures)
- Exclusive Discord channels
- Governance Participation
- Airdrop of \$WING tokens
- NFT Locking
- DAO Access

KEY INSIGHTS

COMMUNITY ENGAGEMENT

Foster a vibrant community through NFT ownership and active participation in the \$WING ecosystem.

GOVERNANCE

Give NFT holders governance rights in Shiba Wing DAO, enabling them to influence key decisions.

INCENTIVIZED LOYALTY

Offer exclusive benefits and partner discounts to NFT holders, ensuring their continued engagement.

REDEEMABLE REWARDS

Exchange tokens for discounts, free items, or exclusive experiences.

GAMIFICATION

Engage customers with token challenges, leaderboard rankings, and special events.

WORD-OF-MOUTH MARKETING

Incentivize customers to refer friends and family for extra token rewards.

BRAND LOYALTY

Cultivate a loyal community that actively participates in the Shiba Wing rewards program.

STRATEGY

LOYALTY PROGRAM

Powered by the \$WING Token and NFTs, which reward customers for interacting, referring friends, and participating in community events, they offer further rewards, discounts, and exclusive access, fostering a sense of belonging and loyalty among community members.

COMMUNITY EVENTS

Bring the Shiba Wings community together, whether online or in physical locations, to celebrate milestones or new NFT launches.

SOCIAL IMPACT INITIATIVES

Engaging in social impact projects and charity events, contributing a portion of profits to community causes, and supporting initiatives that align with the brand's values of community and sustainability.

CONTRIBUTION IN R+D

Allocating resources to research and development will ensure continuous improvement of the technological platform and community engagement strategies, ensuring the brand remains at the forefront of innovation.

STRATEGIC PARTNERSHIPS

Collaborating with tech companies, suppliers, retailers, and other businesses to expand the brand's ecosystem, leverage cross-promotional opportunities, and enhance the customer experience through technology and innovation.

\$WING

The native token behind our revolutionary rewards program. Shiba Wing will drive customer engagement, foster loyalty, and create a thriving ecosystem, aligning with our vision for the future.

RAISE INFORMATION

Vested tokens will be released on a linear schedule over a 90-day period.

An equal portion of the total vested tokens becoming available for release daily. The release will begin on launch day and conclude after 90 days, ensuring a smooth and gradual distribution.

15% to claim within **72hrs** of launch then the above vesting schedule is applied.

VIP INFORMATION

Price: \$0.0056

ADDITIONAL CONTRIBUTOR INFORMATION

CONTRIBUTOR BENEFITS

Economic Incentives: Potential for substantial returns through innovative transaction tax redistribution and growth in token utility.

Exclusive Access and Perks: Ownership provides access to special events, discounts, and voting rights in the Shiba Wing DAO.

Market Influence: contributors can shape the project's trajectory through active participation in governance and decision-making processes.

CONTRIBUTION TO THE CRYPTO ECOSYSTEM

\$WING addresses key cryptocurrency challenges, such as enhancing user engagement, ensuring transaction security, and broadening the token's utility beyond conventional markets. It will set new standards for integrating cryptocurrencies with everyday life and consumer interactions.

FUTURE PROSPECTS

The roadmap includes scaling the ecosystem through global expansion, enhancing the platform's features, including our own DEX, and forging new partnerships to extend the token's reach and functionality. This strategic growth ensures \$WING remains at the forefront of blockchain innovation and community engagement.

CONCLUSION

The Shiba Wing Token is more than an opportunity; it's an entry into a burgeoning ecosystem poised to redefine how cryptocurrencies are perceived and used across various industries. With a solid foundation, robust growth strategies, and a commitment to innovation, \$WING is ideally positioned for success in the dynamic crypto market.

SUMMARY

Shiba Wing stands at the forefront of a transformative journey.

Together, Shiba Wings, Mr Beast Burgers, and our other lucrative business partners are merging the realms of blockchain technology with unprecedented utility and community experience.

The introduction of the \$WING Token represents a significant leap forward, encapsulating the brand's innovative spirit. This bold integration is not merely a technical achievement but a redefinition of customer engagement and loyalty, setting a new benchmark for the industry.

Join us as we soar beyond the ordinary and build a legacy together, one \$WING at a time.

HODL!

We sincerely appreciate your time and consideration.
